

## Upcoming Special Events

Thank you so much for all you have given to the BEOC's Clothing Center at St. Luke's Church. Throughout 2010 you have been very generous in your donations of not only clothing but also of blankets, sheets and towels when we have had need of them and have put out a request. You have always responded quickly and lovingly.

Unfortunately, we cannot accept household goods, but Goodwill or Volunteers of America will be happy to accept them. Thanks to your generosity, we have been able to clothe hundreds of children, adults, and families in need. You have kept people warm and dry, ready to face a new day well clothed and happy. During this winter season, please remember to bring in **warm, winter clothing and blankets, particularly for toddlers and men.** Thank you in advance for your continued generosity and care.
