## Note from the Rector's Warden

### SHARING INFORMATION

I begin with a few words on our search process. The process has been painfully slow but please understand that Bishop Singh and Canon Johnnie Ross are committed allies of St. Luke's. We have a capable Vestry and an excellent Search Committee but we lack candidates. Some of you have counseled me to avoid impatience. Your words are "Do not settle." I hear you and I agree with you.

Given all that: "What do we do?" We work on the things we can control. We have the talent and the commitment needed to manage St. Luke's. Our goal is not to tread water but to move forward.

Thank you to the Grant Committee of **Keith Ewanyk, Heather Packer, Sue Holm** and **Ruthann Tryka**. They did an excellent job on the grant application. **Ginny Campbell** is pulling together the dedication of the Little Free Library.

Thank you to **Rhonda Blonowicz** for her service as Vestry Clerk but she recently resigned due to personal reasons. If you are interested in the position of Vestry Clerk, please see me.

We are working on many improvements both inside and outside the church and I will share the details in a future *Weekly InSpires*.

How are things going at St. Luke's? They are just fine. See you on Sunday!

*Bill Plews*

Rector's Warden

**NOTE FOR ALL PARISHIONERS:**

Our Warden, Bill Plews will be in the Parish Office for questions and concerns from 11am-1pm on Mondays, 9am-12noon on Tuesdays, 10am-12noon on Wednesdays and 9am-12noon on Thursdays during our transition time.

## OUR GRADUATES

**Trevor Fuino**, grandson of Linda Kruchten-Merring, will be graduating with an IB diploma from Greece Odyssey Academy in June. He has had acting and singing roles in Odyssey musicals, “The Wedding Singer,” “Barnum” and this year, “Big Fish”.

He enjoys helping at church with things such as, assisting at weddings, filling candles, and preparing the altar for Thanksgiving.

He enjoys his hobby of photography and has even taken Senior Portraits for some of his friends. Trevor has been accepted to Roberts Wesleyan College to study Visual Communications in the fall.

**James McAllister** will graduate from Brockport High School this June. We’ve been happy to see him singing in St. Luke’s choir this year. He’s been deeply committed to music and drama, playing lead parts in this year’s fall musical, *Curtains*, and premiering the role of the prince in a new play, *Silk and Cinders*. He enjoys playing Pokémon GO and going for runs while blasting Elton John. He appreciates his family and the Lord for getting to chase his dreams. We wish him all the best as he plans to pursue his interest in physics at R.I.T. this fall.

**Beverly Tremblay** graduated with a B.A. in English from the College of Arts and Sciences at SUNY Brockport. She is passionate about visual art and design and is currently learning to speak Ukrainian for fun. Her plans moving forward include traveling abroad, finding her *métier*, and caring for her two beautiful, crazy cats.

**Gavin Tremblay** is a senior at Brockport High School. In high school Gavin has played tennis and served in student leadership roles in the Brockport music department. He’s also anchored the low brass section as a tuba player. He’ll be attending Ithaca College for music in the fall. He enjoys playing Dungeons and Dragons, singing, and going for walks. He’s been an invaluable member of St. Luke’s Choir over the past few years, and we will miss him.

## Directions to the Peterson's Lake House

**Parish Picnic – Sunday, June 24<sup>th</sup> immediately after church**

**Address: 1964 West Road, Albion, New York**

**Only 22 miles away and 25 minute drive from St. Luke's!**

- Take Ridge Road going west, past Route 98, and turn right (going north) on Eagle Harbor-Waterport Road.
- Take the first left, about 2 miles north, at Rush's Veggie Stand (The Peterson's call this the beginning of their drive way). Only one more mile to go! Take a right on Hanlon Ext. Road.
- At the bottom of the hill there is a stone road to the left. This is called the Callard sub-division. Please drive slowly, if it is dry, you can create lots of dust. This is made up of Callard Drive, North Road, East Road, West Road, and Center Road. Do not worry you can't get lost. The Peterson's log sided home is at the corner of North, Center and West Roads, on the water side of the street.
- The Peterson's home is next to a gray cottage, which the Peterson's daughter owns. This is the "gathering place."

## CONGRATULATIONS TO LAUREL DeTOY

The School Administrators Association of New York State (SAANYS) Region 11 has selected Henry Hudson School No. 28 Principal Susan Ladd and Roberto Clemente School No. 8 Principal **Laurel Avery-DeToy** as the 2018 Region 11 SAANYS Elementary Administrators of the Year. They were recognized at the Region 11 awards ceremony on April 26 at Midvale Country Club.

The George Vito Administrator of the Year awards are given annually to Region 11 SAANYS administrators who have contributed outstanding support or service on behalf of education, and have supported, developed, or implemented innovative programs resulting in program improvements or improved student achievement.

If **Laurel Avery-DeToy** could be described with just one phrase, it would be lifelong learner. Throughout her extensive and diverse career in education, Ms. Avery-DeToy has demonstrated a willingness to continually add strategies to her tool kit. Since her 2015 appointment as Principal at Roberto Clemente School No. 8, Ms. Avery-DeToy has set her mind and heart toward improving the school by enlisting the assistance of anyone willing to help and by initiating several new grants and partnerships. The results of Ms. Avery-DeToy's efforts have been readily apparent—chronic absenteeism is down at School No. 8, and the school has met their receivership targets from the NYS Education Department each year under her leadership. Laurel Avery-DeToy's dedication and success as an educator make her an excellent selection for the George A. Vito Administrator of the Year Award.
